#### SOCIAL PROSPERITY WOOD BUFFALO A Framework for Building Prosperous Communities

Social Prosperity Wood Buffalo's **Framework for Building Prosperous Communities** presents strategies designed to increase social prosperity by building capacity in the nonprofit sector.

The Framework's strategies emerged from extensive conversations between community, business, academic, and government leaders in Wood Buffalo and Waterloo Region. The Framework is informed by best practices and the guidance of community leaders who have generously donated their time and expertise to this project. Each triangle represents an area of focus for Social Prosperity Wood Buffalo's work.
